***File format procedure for
NORTH AMERICAN PRESS PRODUCTS
Cyrel Plates***

Your Output Formats

- ✓ **Recommend creating layout in a vector format then saving as PDF. Make compatible for Illustrator for our final positioning.**
- ✓ **Shaded area is to represent coating area, make fill at 100% black (K).**
- ✓ **Text must be converted to outlines.**
- ✓ **Files must have .5 point box outlining your actual sheet size. Include register marks and indicate gripper.**
- ✓ **Do not mirror file image.**
- ✓ **Do not add any distortion to the file.**

Files should be sent via email to the following:
